Content:

On October 04, 2024, Ba Ria – Vung Tau House Development Joint Stock Company (HODECO) announces that the Company signed a Memorandum Of Understanding (MOU) with Korean enterprises. Accordingly, the Company carried out a Memorandum Of Understanding with 5 companies from Korea, including: Korea CEO Summit (KCS); Woo A Development; Korea Resources Developmentl; Scale Technology and Quynh Paris Co., Ltd. In particular, Korea CEO Summit plays as a consultant for business activities and project development invested by HODECO, other enterprises play as a bridge between HODECO and partners, leading real estate investors in Korea.

As the agreement, the parties will develop HODECO's potential projects, while strengthening connections with international partners and exchange relations: culture, technology, as well as building business opportunities in the Korean market in the future.
