<b>Subject</b>	Overcome the status of restricted securities trading

**Content:**

On October 28, 2024, Joint Stock Company For Telecoms And Informatics reports the measures and schedule to overcome the status of securities being put under warning with details as follows:

- The Company has proactively contacted the customer but this was unsuccessful. Accordingly, the Company hired an overseas consulting firm to determine the client's business status and continued to monitor payable figures on bookkeeping as prescribed.
- The Company will continue to keep track of this debt on its bookkeeping until the end of 2024.
- The Company will record accounting of payable amount in extraordinary income in 2024 according to regulations if the customer does not have any payment from now until December 31, 2024.
