Subject Report on overcoming the status of warned securities

Content:

On October 28, 2024, Petro Center Corporation (PMG) reports the measures and schedule to overcome the status of securities being put under warning in Quarter 3/2024 with details as follows:

According to the business result in Quarter 3/2024, the Company recorded the following growth:

Unit: VND

Content	Quarter 3/2024 (consolidated)	9 months of 2024 (consolidated)	Quarter 3/2024 (separate)	9 months of 2024 (separate)
Net sales	509,236,103,792	1,496,724,244,326	389,027,668,268	1,205,083,937,274
Profit after tax	9,307,203,343	19,770,852,923	4,033,099,323	14,133,580,830

With the above measures, the Company believes that PMG will overcome the status of securities being put under warning according to the announced schedule.
