Content:

On March 26, 2025, Vicem Hai Van Cement Joint Stock Company reports the measures and roadmap to overcome the status of securities being put under supervision as follows:

1. Business performance:

Unit: VND million

No.	Content	6 months of 2025	6 months of 2024
1	Total revenue	202,657	151,866
2	Profit before tax	(17,000)	(18,656)
3	Profit after tax	(17,000)	(18,656)

In Quarter 1/2025, the Company's production and business activities faced many difficulties because the following causes:

- The cement demand is low;
- New civil construction projects have not been operated;
- Slow project implementation.

2. Overcoming schedule:

- Closely appraise the practical situation of business activities in 2025;
- Reduce expenses in business production, consumption of raw materials to improve its business efficiency;
- Promote cement consumption, maintain market share, and stabilize quality to increase competitiveness.
